V1 Love, you got a feeling that you cannot hide
 You got a feeling that you can't decide, what's right
 Hey, it's got a history and it's here to stay
 It's got nothing here, to slap your face,
 While you are down
 It's hanging around

 Just to see that you got home alright
 Love, it comes and goes from town to town
 If you stand up you're gonna hit the ground
