Born down in a dead man town
The first kick I took was when I hit the ground
You end up like a dog that's been beat too much
Till you spend half your life just covering up

Nothing else matters

So close, no matter how far
Couldn't be much more from the heart
Forever trusting who we are
and nothing else matters

*f***Volvo**

Jag hade köpt en chevrolet från -63
och rev iväg på stan och skulle se
Om där fanns nåt att sätta staken i,
nån liten brud med glöd och energi
Jag gasade på och flinade åt dom,
som blev rätt sneda när jag körde om
Men plötsligt hörde jag ett jävla liv,
det var nån tokig bonnafaan som körde förbi

En volvo, volvo, en gammal risig volvo,
körde om min fina chevrolet
Volvo, volvo, en skitig jävla volvo,
Jag höll på att svimma, en volvo körde om en jänkare

Don't stop me now

Tonight I'm gonna have myself a real good time
 I feel alive
 and the world it's turning inside out Yeah!
 I'm floating around in ecstasy
 So don't stop me now
 don't stop me
 'Cause I'm having a good time having a good time

Don't stop me now I'm having such a good time
 I'm having a ball
 don't stop me now
 If you wanna have a good time just give me a call
 (Don't stop me now) 'Cause I'm having a good time
 (Don't stop me now) Yes I'm having a good time
 I don't want to stop at all

I Love rock n roll

I saw him dancin' there by the record machine
 I knew he must a been about seventeen
 The beat was goin' strong
 Playin' my favorite song
 An' I could tell it wouldn't be long
 Till he was with me, yeah me
 And I could tell it wouldn't be long
 Till he was with me, yeah me, singin'

I love rock n' roll
 So put another dime in the jukebox, baby
 I love rock n' roll
 So come and take your time and dance with me
