A. Hello goodbye, you were perfect but now  
That the sun's coming out we're through  
Your body and mine, empty bottles of wine  
And the memory that's chasing clues

B. Let's not make things complicated  
We're better off separated, 'cause

| Em | Bm |

| G | Aadd<sup>49</sup> ♩ ♩ |

C. Now we're sober  
it's all over  
Don't push your luck and ask if you could stay  
There's nothing more I need, just go away, Just go away

D. Hello goodbye, you were perfect last night  
But this bed isn't made for two  
You said, "Please stay the night, I could be Mr. Right"  
For a second that line felt true

H. We could do this all again  
We should enjoy it while we can  
Call me whenever you feel alone  
And I will take you home  
But then you're on your own, 'cause
