B. Oh darling why'd you talk so fast
Another evening just flew past tonight
And now the daybreak's coming in
And I can't win and it ain't right

C. You tell me all you've done and seen
And all the places you have been without me
Well I don't really want to know
But I'll stay quiet and then I'll go
And you won't have no cause to think about me

Just like you swore to me that you'd be true

But he's a liar and I'm not sure about you

E. Oh darling you're so popular
You were the best thing new in Hicksville ...
With your mohair suits and foreign shoes
News is you changed your Pick-up for a Seville

F. And now I'm lying here alone
'Cause you're out there on the phone to some star in New York
I can hear you laughing now and
I can't help feeling that somehow
You don't mean anything you say at all
